How Would Life Be Without Social Media?
Let me tell you how life can be without social media: Your private life won’t be a public gallery. Because numbers do not define your worth; and your worth will never become any less just because someone doesn’t see it. I quit all social media for three whole months. It was the best and the most peaceful three months I ever had.

5.3 Social Interaction in Everyday Life - Sociology
A fundamental feature of social life is social interaction, or the ways in which people act with other people and react to how other people are acting.To recall our earlier paraphrase of John Donne, no one is an island. This means that all individuals, except those who choose to live truly alone, interact with other individuals virtually every day and often many times in any one day.
